Article XIII. Pitch Count: Majors and Minors Player Pitch Divisions

The eligibility of a player to pitch in a Little League baseball game is governed by a tiered pitch count that is tied to the number of pitches thrown in a game. The pitch count determines how many days of rest are required before said player may pitch again in a Little League game.

Any player on a regular season team may pitch. A pitcher once removed from the mound cannot return as a pitcher.

Exception: Any player, who has played the position of catcher in four (4) or more innings in a game, is not eligible to pitch on that calendar day. Please note, a pitcher who delivers 41 or more pitches in a game cannot play the position of catcher for the remainder of that day.

The manager must move a pitcher when the said pitcher reaches the limit for his/her age group listed as follows, but the pitcher may remain in the game at another position:

Ages 11-12: 85 pitches per day
Ages 9-10: 75 pitches per day
Ages 6-8: 50 pitches per day

Exception: If a pitcher reaches the limit imposed while facing a batter, the pitcher may continue to pitch until any of the following occurs: (1) the batter reaches base; (2) the batter is put out; (3) the third out is made to complete the half inning.

A player who has attained the league age of twelve (12) is not eligible to pitch in the Minor League. A player may not pitch in more than one game in a day.

Mandatory Days Rest:

If a Player Pitches:

66 or more pitches in a day, then four (4) calendar days of rest must be observed
51-65 pitches in a day, then three (3) calendar days of rest must be observed
36-50 pitches in a day, then two (2) calendar days of rest must be observed
21-35 pitches in a day, then one(1) calendar days of rest must be observed
1-20 pitches in a day, then zero calendar days of rest must be observed

An illegal as defined in **Rule: 8.05 of the current Official Little League Regulations and Playing Rules)** whether or not a pitch is actually delivered to a batter, counts as a pitch in determining the pitch count for that pitcher.

**There is no balk in Majors or Minors Divisions.
